 Bringing Montana's First Story Trail to Billings

Thanks to the generosity of Nick Cladis, the Mary Alice Fortin Foundation, and McCall Homes, we're thrilled to announce the forthcoming installation of a Story Trail in Josephine Crossing! Pages from children's books will be placed in display cases along a park so that families can read a story while they walk. Our Story Trail will be the first of its kind in Montana, and we can't wait to introduce our community to this fun, active way to read together!

Stay tuned for more information on the grand opening and more Story Trail projects.
Thank You for a Wonderful Evening!
*Food for Thought 2022 Was a Success*

After two years of virtual events, the return of in-person Food for Thought was a massive success! It was a wonderful evening of good food, and even better conversations. We also raised enough to meet our match for our special project: the Library Express Lockers! Thanks to your generosity, we are well on our way to purchasing and installing a third set of lockers at the St. Vincent's Walk-In Clinic in Lockwood.

Thank You!

You Are the Cornerstone of our Library

When unexpected expenses arrive, like when the Children's Section flooded, or when we have a great, new idea, like a Books and Babies music program, we use your monthly gifts to jump into action.
