Your Monthly Update from the Billings Public Library Foundation

February 2022

A New Vision for the Front Entrance

We're thrilled to announce a gift to the Billings Public Library Foundation to reimagine the front entrance to our library.

Discussions began last spring with Minnesota residents, Diane Gorder (formerly Diane Dimich of Billings) and her husband Mark Gorder. Plans were solidified last fall for the Dimich Gorder Heritage Garden which will be installed this spring.

Don't worry -- the beautiful rose bushes are staying put! Working with the Foley Group, the new garden will better reflect and respect the natural landscapes and indigenous plant life surrounding us. We will keep you posted on the various elements contained in the garden as plans are implemented. A ribbon-cutting ceremony will be held in late June.

The Dimich Gorder Heritage Garden is just one example of the many ways legacy and estate gifts can support your Library!
